HIPPY – Home Instruction for Parents of Preschool Youngsters

A game and learning programm
for 4 – 5 years children of migrants
and their parents

Kreisverband
Ulm e.V.

How does HIPPY operate?

Domestic visits

The domestic visitor brings HIPPY material regular to families and explains how to use it. The domestic visitor is specially trained for this task. If it is necessary she can translate exercises into native language.

Educational games

Mothers and children learn and play together **15 to 20 minutes** daily. Mothers read books, do puzzles and carry out simple educational games with their children.

How does HIPPY operate?

Group meetings

Every two weeks mothers and the domestic visitors are invited by the coordinator to a group meeting.

The meetings enable the participants to exchange experiences and socialise with others!

In addition they receive data about the **important themes**: nourishment, education, upbringing. The themes are established together.

Care taking of children is free of charge during meetings.

What is HIPPY?

HIPPY is a **game and learning program** for children of migrants from 4 years.

HIPPY helps children to be **prepared for school**.
